Vision 2020 Survey Results, 2007

Arlington

A Welcoming Community:

Your Opinion Counts

A Proud Past, A Focused Future

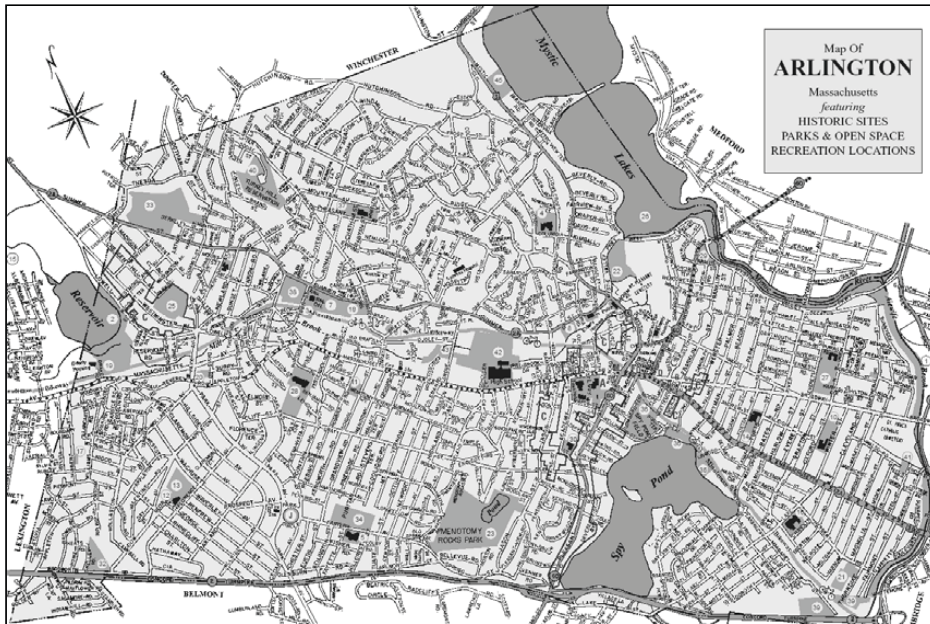

2007

Dear Arlington Residents,

Since 1991, Vision 2020 has used an insert to the Town's Annual Census Mailing to inform you about Arlington and ask your opinion about aspects of life in our town. Once again, we encourage you to share your thoughts about our community. We need your help to guide the Town in updating its Open Space Plan and ensuring that Arlington is a welcoming community. Your opinions do count!

Vision 2020 is a Committee of the Town that works as a partnership of townspeople, Town employees and Town leaders. It is a joint planning process, where active task groups of volunteers work to bring the Town closer to goals established by Town Meeting in 1993. To learn more about Town goals and the work of Vision 2020 for this year, turn the page.

The Town is in the process of updating its Open Space Plan, and you are being asked to provide your input. As you consider your responses to the questions on Arlington's open spaces, the map below may help as a reference.

The map highlights Arlington's open spaces, which are distributed throughout the town. A full version of this map of Arlington, featuring Historic Sites, Parks & Open Spaces and Recreation Locations, is available for purchase at Arlington's Town Hall in the Planning Department and may also be found on-line at the Town website (<http://www.arlingtonma.gov>).

We are using a new method of tabulating survey results this year. All responses will be scanned and entered electronically into a new software tool. For this reason, it is important that when marking your responses you use only a black ballpoint pen and you fill in the bubbles completely. Please limit comments to the designated area on the last page of the survey, as extraneous marks can cause a survey to be rejected by the automated tool. When all responses have been computed, we will report results to the Town Manager, Board of Selectmen, Town Meeting, various committees and the public. All responses received by April 1, 2007 will be included in our report.

Take a few minutes to read through the survey questions inside and share your thoughts with us.
We appreciate your taking the time to do this. Thank you!

IMPORTANT:

- Use only a black ballpoint pen to complete the survey.
- Do not use pencil, felt tip or any other color pen.
- Fill in the bubbles completely! Like this: ☒ Not like this: ☐ ☐ ☐

Town Goals, Task Groups and Current Vision 2020 Projects

BUSINESS

Town Goal: "We value Arlington's diverse and accessible mix of merchants and service providers. We will be known for our vibrant, attractive commercial centers supporting the primarily residential and historic character of the Town."

- Researching how Arlington businesses will be affected by our aging population
- Comparing mutual aid to market-based insurance

COMMUNICATION

Town Goal: "We value public dialogue. Communication and information-sharing build trust. Our goals are true openness and accountability. Arlington will be known as a community that thoughtfully searches beyond divisive issues for the opportunities that bind us together."

- Seeking assistance tabulating survey responses

COMMUNITY AND CITIZEN SERVICE

Town Goal: "We value Arlington's geographic neighborhoods, common interest groups, and the sense of community in our Town. We value an active and compassionate citizenry delivering services in our community. We will be known for the vitality of our neighborhoods and as a community of people helping others."

- Looking for help scanning survey responses

CULTURE AND RECREATION

Town Goal: "We value the many opportunities to meet, play, and grow in Arlington while treasuring and preserving our unique historical resources. Our social, cultural, artistic, historic, athletic, recreational, and other community groups strengthen Town life. We will be known for the breadth and richness of our resources and activities available to Arlington citizens."

- Creating a directory and website listing town recreation, arts, and cultural organizations and contact information

DIVERSITY

Town Goal: "We value the diversity of our population. Our Town's mix of ethnic, religious and cultural backgrounds, as well as economic and personal circumstances, enriches us. We will be known for the warm welcome and respect we extend to all."

- Helping to make Arlington a welcoming and respectful community
- Working with the Human Rights Commission on a rapid response process
- Participating on the Superintendent of Schools' Diversity Advisory Committee

EDUCATION

Town Goal: "We value learning for all Arlington citizens. We are responsible as a community for educating our youth and providing all ages with opportunities for educational growth. We will be known for demonstrated excellence in public education and our commitment to life-long learning."

- Conducting forums on our schools for parents and other community members

ENVIRONMENT

Town Goal: "We value the physical beauty and natural habitats of our Town – parks, ponds and wetlands, dramatic vistas and tree-lined streets – as they contribute to the well-being of our community. Recognizing the fragility of our natural resources, we must ensure that Arlington's residential areas, commercial centers, and infrastructures are developed in harmony with environmental concerns. We will be known for our commitment to the preservation of Arlington's beauty, limited open space and resources, as well as our place in the regional and global community."

- **Spy Pond Committee:** Planning Third Annual Spy Pond Trails Project at path adjacent to Rte 2 in May, and Spy Pond Splash, a program of events at/on the pond in early Sept. 2007
- **Reservoir Committee:** Working with the Town on a native landscaping plan for the newly refurbished Reservoir
- **Sustainable Arlington:** Working with Town Officials and residents to implement the recently adopted Arlington Sustainability Action Plan (ASAP)

FISCAL RESOURCES

Town Goal: "We value Arlington's efficient delivery of public services providing for the common good. The benefits from these services and the responsibility of taxation will be equitably distributed among us. We will be known for our sound fiscal planning and for the thoughtful, open process by which realistic choices are made in our Town."

- Studying / recommending ways to address predicted Town budget shortfall at the end of the Five Year Plan
- Continuing to encourage transparency in all Town depts

GOVERNANCE

Town Goal: "We value our representative Town Meeting system and the community spirit it fosters. Participatory governance is both responsive and innovative. We will be known as a community where government provides effective and efficient services, insures open two-way communication, promotes the lively exchange of ideas, and encourages active citizen participation."

- Helping to plan and sponsor Candidates' Night 2007 and the Warrant Review for the Spring 2007 Annual Town Meeting

Open Space Planning

The Town's Open Space Committee prepares a five-year plan to guide the Town in seeking ways to better protect existing open spaces, utilize and maintain our park and recreation resources and set direction for future use, maintenance and improvements. The current plan is posted on the Town website (<http://www.arlingtonma.gov>). It is now time to update the plan for 2007-2012. The following questions are part of the process to obtain community input for this plan:

5. What are your three favorite open spaces, passive parks, or natural areas owned by Arlington? (mark up to three)

10. Funding Open Space Improvements: Select up to five improvements from the following list that you consider important for the Town to pursue. Then identify the way(s) you would fund those improvements.

(For example, if you feel it's important to have more community gardens in Arlington, do you think that the money to fund them should come from your taxes? From a charge levied on each gardener (user fee)? From the sale of advertising space in the garden? From pursuing grants or other State or Federal funding opportunities? Or, from a collaboration between individuals / business donations and public money?)

Subject: The Vision 2020 Report to The 2007 Annual Town Meeting

The Vision 2020 Standing Committee and its Task Groups are pleased to present the following report covering Vision 2020 projects and activities for Calendar Year 2006 as well as its 2007 town-wide household survey. The report can be found in the three areas listed below:

- The first, located in the Community Development section of the Town's *2006 Annual Report* and soon available to Town Meeting, outlines the evolution of Vision 2020 over its almost 17 year existence, as well as significant accomplishments during 2006 by its dedicated Task Groups and Standing Committee – the true work engines of this organization;
- The second, is a summary and analysis of the 3394 household responses received by April 1, 2007 to Vision 2020's Survey accompanying the Town's 2007 Annual Census Mailing, which largely focused on issues of Open Space (including parks and recreation) in Arlington as well as Arlington as a Welcoming Community. It is presented on pages 2-5 of this report. Information gleaned from these responses will help the Town update its Open Space Plan.

Vision 2020 is most grateful to these 3394 households for their responses which have been scanned and entered electronically into a new software tool simplifying recording and analysis. About 900 comments and suggestions were received as well, some taking up a few lines and others a whole page. All have been recorded and categorized, and will be shared with the appropriate Town departments and committees. When complete, the entire 2007 survey report will be available on the Town's web site.

- The third is included by reference here to Article 71, of this 2007 Annual Town Meeting, RESOLUTION /SUSTAINABILITY / ACTION PLAN, and is listed on pages 30-32 of the Board of Selectmen's Report. It was inserted to the Town Warrant by the Board at the request of the Vision 2020 Environment Task Group's Sustainable Arlington Committee and asks Town Meeting to adopt the Arlington Sustainability Action Plan (ASAP) Part 1. The Plan can be found in its entirety on the web at www.sustainablearlington.org

Vision 2020 is truly appreciative of the hundreds of generous townspeople who have participated in its efforts to assist the Town in striving to accomplish its Goals, adopted as bylaw by the Annual Town Meeting in 1993.
